Special Officer Lincoln Cochran captured Frank Murry at Monte, in Randolph County last Monday morning after a race of a couple of hundred yards. Murry saw the officer coming up the railroad track as he was going for a bucket of water and recognizing him started to run. He took to the water like a duck but Cochran proved more fleet of foot than Murry and overtook him after a short time. Murry was serving a jail sentence here when he made his escape. Mr. Cochran also brought in Charles Thurn, alias Cam Thoro who was captured at Killeen by the Chief of Police Wednesday. There were about 30 indictments against Thurn for selling whiskey.

It is reported that Mr. L. S. Cochran will shortly make his announcement and enter the race for Sheriff of Pocahontas county. Mr. Cochran comes from the Levels District and will make a number one sheriff. Pocahontas county has been greatly handicapped at times on account of not having efficient officers to serve papers, and Mr. Cochran has showed his metal as special officer and Deputy Assessor that the people know when Lincoln is called on to do a service he is always there with the goods. The Republicans could not name a better man.

That Sidney Allen and Wesley Edwards were in Pocahontas County seem to be confirmed by Mr. H. Seaver, of Edray, who was acquainted with the men while he lived in Virginia. Mr. Seaver says the men met him in the road near his place, each carrying a Winchester rifle and were armed to the teeth and they knew him and he invited them to dinner, but they refused saying there was a reward out for them, and they could not afford to take a meal even with an old acquaintance. Both men are still traveling together and expect to sell their lives at the highest price possible if compelled to do so.

Lincoln Cochran had thirteen prisoners from the county jail at work Wednesday. When we say at work we mean just what we say. The prisoners evidently learned well their lesson received in Judge Bennett's school, at its last session. They have realized that lessons taught by others than the regularly authorized teacher were false.
